“

PERFORM BETTER HAS BEEN A FANTASTIC COMPANY TO WORK WITH. WE HAD A LAST MINUTE CAN IN A OUR GYM FLOOR SPACE AND SAM WAS ABLE TO PRODUCE A FUNCTIONAL AND ATTRACTIVE SPACE CONSIDERING THE CHANGES. SAM AND ANDY HAVE ALWAYS BEEN AVAILABLE TO PROVIDE ANY SUPPORT WE HAVE NEEDED THROUGH THE ENTIRE PROCESS. I CAN'T RECOMMEND THEM ENOUGH.

JOTA is one of the most experienced & successful sports car teams in recent history. The team have finished on the podium in LMP2 at Le Mans 10 times in the last 9 years; as well as finishing an unprecedented 2nd & 3rd overall at Le Mans in 2017.

Perform Better were selected to design and equip the new Performance facility and we have consolidated the rack, free-weight storage, cable machines and attachments into a 12m2 area- maximising functionality whilst, minimising the footprint. The flooring is Duratrain Performance tiles with a bespoke branded turf track running down one side of the space. Branding was very important to the customer and we included branding on the Dumbbells, Plyo Boxes, Benches and Turf Track.
