“

THE DESIGN, INSTALLATION AND FOLLOW-UP PROCESS WITH PERFORM BETTER HAS BEEN EXCELLENT. WE WOULD HAVE NO HESITATION IN RECOMMENDING THEM TO OTHER SCHOOLS.

Chris Thomson - Director of Sport.

- Kettlebell Sets and Rack
- Customised Foam Plyo Boxes
- Spirit Treadmill
- Wattbike Pro
- SkiErg
- Concept Rower

The King's School had invited PB to tender for the fitness suite within the new build school sport building.

The school sports staff required a multifunctional room including free weights and resistance machines, cardio equipment and a small functional space to cater for all ages and abilities. There was also a requirement to have enough 'workstations' to cater for a full class if required.

Following an initial meeting to gain the clients needs and a follow up meeting to present our design ideas and layout, PB were selected as the sole supplier of equipment for the project.

The installation of equipment was completed in September 2020 just in time for the new school term.
